Good morning Karl,

The remaining submittal for the CSTAG is from the CAG members which we are expecting today.

Due to the large number of CSTAG meeting attendees (more than 8), I have to coordinate with our facilities folks. Can you please send me a list of who is planning on attending the meeting next week? I apologize if you already sent this to Jen, but she is out sick today and I want to get this started.

Thanks  
Diane Salkie

Thank you. Is this all the written material that we should expect from CPG?

We expect to send over NJDEP's remarks today and the CAG's remarks by the end of this week.

Thanks Diane,

This is the first letter we've received, right? (We also have the package and supplement.)

I just wanted to make sure I haven't missed anything. Do you know if we should expect to receive other written materials?

Thank you,

Karl

Hi Diane,

Clay and I will be sending you a joint letter to Jen on behalf of the Federal Trustees today. Coordinating two signatures is a bit complicated. Can I send you the unsigned copy electronically COB today and then get you the signed hard copy for your files early next week?

Thanks Reyhan.

We will accept your written remarks by the end of this week.

Please cc Diane Salkie on the email as I will be out of the office on Friday and won't want to delay getting the material over to CSTAG.

Thanks,

Hi Jen,

Clay and I will not be providing a presentation but would like to submit a short letter on behalf of the Federal Trustees for EPA's consideration. We realize you requested written remarks by last week and are wondering if you would still

accept something by the end of this week. Please let us know. Also, I'd like to attend the stakeholder portion of the meeting if that's still possible. Thanks!

- Reyhan.
